

Preliminary Programme Delft Road Safety Course 2017

Sunday September 10

16:00 - 20:00 Informal get together

Monday September 11 INTRODUCTION

09:00 - 10:00 Course Introduction
10:00 - 11:00 Introduction to road safety problems
11:00 - 13:00 Case presentations by participants (I)
13:00 - 14:00 LUNCH
14:00 - 16:00 Case presentations by participants (II)
16:00 - 17:00 Decade of Action and Global Status Report

Tuesday September 12 ROAD SAFETY MANAGEMENT

09:00 - 10:00 Road safety as a health problem
10:00 - 11:00 Theoretical and practical introduction
11:00 - 13:00 Road Safety Management
13:00 - 14:00 LUNCH
14:00 - 15:00 Road safety strategies at a company level
15:00 - 16:00 Awareness raising, getting public support, political priorities
16:00 - 17:00 Effective implementation of interventions/partnerships
Time t.b.d. Road trauma management

Wednesday September 13 ROAD SAFETY MANAGEMENT & DATA

09:00 - 10:00 Data for road safety management + Introduction IRTAD
10:00 - 12:00 Road safety data + data collection + data analysis
12:00 - 13:00 Road safety advocacy
13:00 - 14:00 LUNCH
14:00 - 15:00 Road safety advocacy and the media
15:00 - 16:00 Q&A
16:00 - 17:00 Road safety audits and inspections

Thursday September 14 RISKS ON ROADS + 2E's

09:00 - 10:00 Introduction: basic risk factors + risk increasing factors
10:00 - 11:00 Vehicle related crash factors
11:00 - 12:00 Crash helmets, seat belts and child restraints
12:00 - 13:00 Speed management
13:00 - 14:00 LUNCH
14:00 - 15:00 Powered two wheelers
15:00 - 16:00 Engineering (theory)
16:00 - 17:00 Enforcement (theory)

Friday September 15 ROAD SAFETY RESEARCH (day at SWOV)

09:00 - 10:00 History of road safety research
10:00 - 11:00 Road user behaviour
11:00 - 12:00 Surrogate measures and safety performance indicators
12:00 - 13:00 Monitoring road safety developments
13:00 - 14:00 LUNCH
14:00 - 16:00 Drinking and driving
16:00 - 17:00 Causes of road crashes
17:00 - Wrap up first week

Saturday September 16

Free

Preliminary Programme Delft Road Safety Course 2017

Sunday September 17 Free

Monday September 18 KNOWLEDGE ON ROAD SAFETY INTERVENTIONS

09:00 - 10:00	Safe System approach
10:00 - 11:00	Safe System approach
11:00 - 12:00	Bloomberg Philantropies approach to Global Road Safety
12:00 - 13:00	Methods for evaluation of road safety measures
13:00 - 14:00	LUNCH
14:00 - 15:00	Methods for evaluation of road safety measures
15:00 - 16:00	Priority setting for road safety interventions
16:00 - 17:00	Costs of road crashes in LMIC

Tuesday September 19 ROAD SAFETY COUNTERMEASURES

09:00 - 10:00	Results of evaluating road safety interventions
10:00 - 11:00	Results of evaluating road safety interventions
11:00 - 12:00	Education (theory)
12:00 - 13:00	Group discussions and Q&A
13:00 - 14:00	LUNCH
14:00 - 15:00	Effectiveness of education
15:00 - 16:00	Vulnerable road users
16:00 - 17:00	Vulnerable road users

Wednesday September 20 TECHNICAL VISIT: engineering and enforcement

09.00 – 20.00	Technical visit
	- Engineering (roads and traffic)
	- Local policies Amsterdam

Thursday September 21 DESIGNING A ROAD SAFETY STRATEGY

09.00 - 10.00	Introduction
10.00 - 12.00	Problem analysis and main lines of a strategy
12.00 - 13.00	Main lines: reporting back
13:00 - 14:00	LUNCH
14.00 - 17.00	Designing a road safety strategy + preparing presentation

Friday September 22 Presenting the results of Wednesday 25

09.00 - 10.00	Introduction
10.00 - 13.00	Group 1, Group 2, and Group 3, Group 4
13:00 - 14:00	LUNCH
14.00 - 16.00	Evaluation and wrap up
17.00	Evening programme
