

## **Certification policy**

### **Safe Road Infrastructure in LMICs: Planning, Design, and Maintenance**

#### **Classroom course | Sri Lanka | October 5 – 11, 2025**

Participants of the DRSC-UNIC road safety course in Sri Lanka, 2025 will be awarded a certification of their successful completion of the course. This statement specifies the conditions that Delft Road Safety Courses and the University of Moratuwa applies in issuing certificates. By registering the course, you acknowledge that you have read, understood, and agreed to these conditions.

Delft Road Safety Courses and UNIC reserves the right to modify these Conditions.

The road safety training course in Sri Lanka 2025 is an in-person classroom course.

Certificates - signed by the course leadership - will be issued to participants who meet the following conditions:

- I. Full attendance to all (100%) sessions during the classroom course in Sri Lanka.
- II. Active participation in the group work assigned during the sessions.

In case the first two conditions are not fully met, both course leaders will use their discretion in awarding certification.
